

DRAFT Agenda June 30th 5-7 Zoom Meeting

Hello CAAC Members:

Enclosed is our preliminary agenda for the June 30th meeting. Given these times, we are dedicating this session to examining climate justice. This is also a focus of our longer-term climate action planning – so we see this as a start of a process and engagements to develop a climate justice framework and strategy.

We have developed this agenda in consultation with Ryan Miller and Yolimar Rivera Vazquez – who will take the lead role in running the meeting on June 30th.

Agenda:

1. Welcome – Tom Campbell Chair
2. Opening Perspectives – Ryan Miller and Yolimar Rivera Vazquez
3. Member thoughts about climate justice and how it informs climate change.
4. Educational Presentations
 - a. Ryan Miller – Tribal Perspective
 - b. Yolimar Rivera Vazquez
5. Member reflections.
6. GMA – Climate Change Grant
7. City of Edmonds Climate Change Opportunities
8. Next Steps – Meeting.

There are a lot of resources and we're listing a number of these here. We would request that you spend some time reviewing the resources and giving some thought as to your own understanding and interests in how we address climate change concurrently with social justice.
