Shoreline Environment Designations

Data Information

The shoreline environment designations are adopted pursuant to ECC 36.75.210 as defined in Section 2.2 of the Shoreline Management Program. Section 2.2 of the Shoreline Management Program contains the designation criteria and management policies for each shoreline environment designation. This map series is for informational resources only. In case of a conflict between the designation criteria adopted pursuant to ECC 36.75.210 and the content of the map, the designation criteria will override. Map inaccuracies such as an intermittent omission or inaccurate environment designation are interpreted pursuant to ECC 36.75.210(1). Unmapped shoreline jurisdiction within the boundaries of federal lands is designated pursuant to ECC 36.75.210(2).

MAP LOCATIONS ARE APPROXIMATE. Data may be represented at scales where data may not be accurate.
Shoreline Environment Designations

ADOPTED BY SNOHOMISH COUNTY COUNCIL
AMENDED ORDINANCE: 12-025 JUNE 6, 2012 EFFECTIVE:
JULY 27, 2012

SNOHOMISH COUNTY DATA and MAP DISCLAIMER

All maps, data, and information set forth herein ("Data"). are for illustrative purposes only and are not to be considered
an official citation to, or representation of, the Snohomish County Code Amendments and updates to the Data, together
with other applicable County Code provisions, may apply which are not depicted herein. Snohomish County makes no
representation or warranty concerning the content, accuracy, currency, completeness or quality of the Data contained
herein and expressly disclaims any warranty of merchantability or fitness for any particular purpose. All persons accessing
the Data assume all responsibility for any hazard and agree to hold Snohomish County harmless from and against any damages, key
claims or liability arising out of any error, defect or omission contained within said Data. Snohomish County disclaims
all liability and right to any property rights in the Data, and no person has any right, title or interest in any Data. Individuals
intended for use for commercial purposes and, thus, no commercial use may be made of any Data comprising lots of
individuals contained herein.

DATA INFORMATION

The shoreline environment designations are adopted pursuant to SCC 30.67.210 as defined in Section 2.2 of the
Shoreline Management Program. Section 2.2 of the Shoreline Management Program contains the designation
criteria and management policies for each shoreline environment designation. This map series is for informational
resources only. In case of a conflict between the designation criteria adopted pursuant to SCC 30.67.210 and the content of the maps, this designation criteria will override. Map inaccuracies such as a misrepresentation
or omission of a critical area or inaccurate environment designation are interpreted pursuant to SCC 30.67.220(1). Unmapped
shoreline jurisdiction within the boundaries of federal lands is designated pursuant to SCC 30.67.220(2).

Shoreline Environment Designations

ADOPTED BY SNOHOMISH COUNTY COUNCIL
AMENDED ORDINANCE: 12-025 JUNE 6, 2012 EFFECTIVE:
JULY 27, 2012

All maps, data, and information set forth herein ("Data") are for illustrative purposes only and are not to be considered an official representation of the Shoreline Code Amendments and updates to the Data, together including Snohomish County Code provisions, may apply which are not depicted herein. Snohomish County makes no warranty, express or implied, as to the accuracy, completeness, currency or reliability of any Data or the results derived therefrom. Snohomish County disclaims any warranty of merchantability or fitness for any particular purpose. All persons accessing the Data is done so at their own risk. Snohomish County reserves the right to withdraw Data at any time and disclaims any liability for any breach and agrees to hold Snohomish County harmless from and against any damages, loss, claim or liability arising out of any error, defect or inaccuracy contained within Data. Washington State, Rev. Code Ch. 43.98 RCW, prohibits state and local agencies from providing access to lists of individuals intended for use for commercial purposes and, thus, no commercial use may be made of any Data comprising lists of individuals contained herein.

DATA INFORMATION
The shoreline environment designations are adopted pursuant to SCC 36.67.210 as defined in Section 2.2 of the Shoreline Management Program. Section 2.2 of the Shoreline Management Program contains the designation criteria and management policies for each shoreline environment designation. This map series is for informational resources only. In case of a conflict between the designation criteria adopted pursuant to SCC 36.67.210 and the content of the maps, the designation criteria will override. Map inaccuracies such as an international omission or inaccurate environment designation are interpreted pursuant to SCC 36.67.210 (1). Unmapped shoreline jurisdiction within the boundaries of federal lands is designated pursuant to SCC 36.67.220(2). The shoreline environment designations are adopted pursuant to SCC 36.67.210 as defined in Section 2.2 of the Shoreline Management Program. Section 2.2 of the Shoreline Management Program contains the designation criteria and management policies for each shoreline environment designation. This map series is for informational resources only.
