

The Hemstrom Homestead

Owners: Carl & Elsie Hemstrom

Above: Carl and Son, Gerry

Right: Hauling hay

In 1886 Swedish-born August Hemstrom and grown son Charles began clearing a 150 acre homestead south of Granite Falls. His wife joined him after traveling with their 2 yr. old son by boat to Snohomish and then by foot to the farm. Original products were beef, hay, potatoes and dairy goods. Now beef cattle are raised.
