Snohomish County Begins Paving Project in the Kayak Point Area

Road Repairs Scheduled this Summer along Kayak Point Rd and 140th St NW

EVERETT, Wash., May 28, 2021 – Snohomish County Public Works will begin work next week to pave Kayak Point Road (from Marine Drive to 140th St. NW) and 140th St. NW (from Kayak Point Road to 63rd Dr. NW). Crews will also perform pavement repairs at some locations, ensuring a smoother drive for residents and visitors to Kayak Point Regional County Park.

The total length of the project is approximately 2.3 miles. Single lane access will be maintained throughout construction. Some temporary closures may be required at cross streets due to hot pavement that cannot be crossed. Hours of construction are 7 a.m. to 6 p.m. Monday through Friday. Construction is scheduled to last through the end of July.

Funding for Rural Road Preservation projects comes from the Federal Surface Transportation Program and the Snohomish County Road Fund. The total project cost is under \$1.5 million.

For more information about construction along Kayak Point Rd and 140th St NW, visit the project website at <https://www.snohomishcountywa.gov/5757>.

About Snohomish County Public Works

Snohomish County Public Works is responsible for approximately 1,600 miles of county roads, more than 200 bridges and manages about 200 traffic control signals. The department also processes nearly 600,000 tons of garbage per year. Its mission is to focus on safety and mobility while practicing fiscal responsibility and preserving the environment. Public Works has won numerous state and national honors for its work and is the largest department within Snohomish County government with approximately 500 employees plus seasonal

staff. Its main office is located at 3000 Rockefeller Ave., Everett, WA 98201. Visit www.snohomishcountywa.gov/PublicWorks for more information about Snohomish County Public Works.
