Administrative Order 21 – 04

**Snohomish County District Court
Emergency Order**

The Court adopts the preambles from previous Administrative Orders (20-01 through 21-02A).

On January 5, 2021, jury trials were suspended through February 5 based upon the following factors: As of the week ending January 2, 2021 the rolling two-week average of reported cases per 100,000 continues to be at dangerously high levels of 350. There was a slight downturn from the November-December peak numbers, but the most recent two-week trend demonstrates an increase in cases (from 329 to 350). The reported weekly rate of deaths from the most recent available information (through December 12, 2020) continue to be at all time highs for the previous three-week period. The positivity rate remains high at 8.6%.

As of January 26, 2021, the data continues to be concerning. The rolling two-week average has fallen to 253 per 100,000 but that is still double the peaks from February/March of 2020 and ten times greater than the goal of 25 per 100,000. The death rate remains at a sustained high level and the positivity rate is over 10%. While vaccinations have started, the roll-out has been severely hampered by the availability of vaccines and vaccination locations. A new, reportedly more contagious, strain of the virus has also been documented in Snohomish County.

Beginning in late April 2021, the outlook began to improve. Snohomish County's two-week rolling averages declined from a high of 227 on April 24th to 79 on June 5th. The weekly COVID-related death rates have remained at five or below since March. The positivity rate has dipped below 6%. Snohomish County has moved to Phase 3 of the statewide reopening plan. Vaccines have become widely available.

On May 21, 2021, the Governor issued Proclamation 20-25.13 which provides that fully vaccinated individuals are not required to wear a mask inside or outside, except in certain locations (health care settings, correctional facilities, homeless shelters, schools and public

transportation). Proclamation 20-25.13 further requires employers to obtain proof of vaccination or obtain a self-attestation from the employee, attesting to their fully vaccinated status, before an employee may work at a worksite without wearing a mask, and permits employers to continue to require that employees wear a face covering, regardless of vaccination status. The State Department of Health issued a new Order 20-03.2 and the Department of Labor and Industries issued Guidance in Publication F414-179-000 [05-2021]. Although the guidelines have been relaxed for fully vaccinated individuals, businesses and governments can continue to require masks, and can set their own masking policies for all individuals in public places.

Accordingly, pursuant to the authority given this Court through Washington State Supreme Court Orders 25700-B-602 through B-646 (and any superseding Orders), and the authority granted to the Presiding Judge of the Snohomish County District Court pursuant to GR 29, this Emergency Order is effective June 16, 2021, and shall remain in effect unless renewed, modified or rescinded by the Snohomish County District Court Presiding Judge. All Divisions of the Snohomish County District Court will remain open, pending further Order of the Court.

Order

1. Protection Order and Compliance Hearings

- (a) All civil protection order hearings for Unlawful Harassment, Domestic Violence, Stalking, Sexual Assault and Extreme Risk Protection Orders will be calendared per normal division policies.
- (b) All compliance hearings pursuant to RCW 10.21.055 and weapons surrender orders pursuant to Chapter 9.41. RCW will be calendared on the normal motions calendar for each division.
- (c) All ex parte petitions may be determined based solely on the petition unless otherwise directed by a Judicial Officer.
- (d) All hearings will be conducted via an approved video platform or in person. Attachment B lists in person and video hearings. Video hearings will require both visual and audio connection unless waived at or before the hearing by a judicial officer. If participation is through a video platform, the petitioner and respondent are responsible to log-in at the time provided to them and to await admission to the hearing. Failure to log-in or disconnecting prior to the hearing or before the hearing has concluded, may be considered a non-appearance.

2. Criminal Hearings

- (a) The Time for Trial provisions of CrRLJ 3.3 are suspended from the date of this order until the next court date after April 2, 2021, and further Order of the Court. This constitutes an excluded period under CrRLJ 3.3(e). CrRLJ 2.2(g) is suspended until further Order of the Court.
- (b) Arraignments: All arraignments will be held via approved video platform or in person if video is not possible. Video hearings will require both visual and audio connection unless waived at or before the hearing by a judicial officer. Arraignment provisions of CrRLJ 4.1 are suspended until further Order of the Court. The new arraignment date shall be considered the “initial commencement date” for purposes of establishing the time for trial under CrR 3.3(c)(1), CrRLJ 3.3(c)(1).

(c) Motions: All criminal motions may be noted in the customary manner. The dates and times for criminal motions can be found here:

The following motions may be heard on shortened time pursuant to previous Supreme Court and Administrative Orders:

Motions to quash warrants.

Motions regarding bail.

Motions for TRO from custody.

Motions to review pre-trial release conditions.

Any other Motion with the consent of a Judicial Officer.

(i) All hearings will be conducted via an approved video platform or in person if video is not possible. Video hearings will require both visual and audio connection unless waived at or before the hearing by a judicial officer.

The Court specifically authorizes video plea and sentencing as indicated in Attachment B as disposition hearings.

(v) Motions calendars will return to regularly scheduled times in each division.

(d) Trial Confirmation: Commencing February 1, 2021 good cause exists that the trial confirmation hearing is a necessary hearing pursuant to CrRLJ 3.4 and emergency amendments to SCLCrRLJ 3.4. The Defendant's presence may be waived upon compliance with SCLCrRLJ 3.4. The emergency local rules can be found here:

<https://www.snohomishcountywa.gov/DocumentCenter/View/73690/Locol-Rules-Effective-1-28-2021?bidId=>

Attachment A-1

Face Covering Policy.

Findings

This face covering policy incorporates the findings set forth in District Court Administrative Order 21-04, any emergency orders following that order, as well as the following findings. Pursuant to GR 36(a) a “safe courthouse environment is fundamental to the administration of justice. Employees, case participants and members of the public should expect safe and secure courthouses.” This face covering policy recognizes the independent authority of the Courts to provide a safe environment for all participants as well as the need for a policy that safeguards the fairness of the fact-finding process.

The courthouse and courtrooms are open to the public. Employees, case participants, and members of the public are present in the same common areas and courtrooms in confined spaces. People who have the novel coronavirus and are currently infectious may appear totally asymptomatic. Social distancing is encouraged through markings on the floor where waiting lines occur, by closing off some seating areas, and signage placed throughout the courthouses.

However, it not possible to maintain social distancing at all times. An employee, case participant or member of the public exposed to COVID-19 at the courthouse would negatively impact the ability of the Court to perform essential public safety and administration of justice functions.

The Center for Disease Control (CDC) and the Washington State Department of Health recommend that, during the current COVID-19 pandemic, individuals wear a covering over the mouth and nose to protect themselves and others. See [coronavirus.wa.gov](https://www.coronavirus.wa.gov). No other reasonable alternatives are available to mitigate the risk of exposure to COVID-19 within the courthouse other than social distancing and the required use of mouth and nose coverings.

Recently, the Governor relaxed masking and social distancing requirements for fully vaccinated individuals. The Washington State Department of Health and the Department of Labor and Industries have issued orders and guidelines consistent with the Governor’s directive. Businesses and government agencies are still allowed to require masking and social distancing. The Court desires to mitigate masking requirements for fully-vaccinated employees while recognizing that it does not have

the staffing to review and track proof of vaccinations from the public, litigants, or attorneys. The current policy balances these considerations and is more consistent with Superior Court, the County Clerk, and the Prosecuting Attorney.

Authority of the Court

GR 36(a) vests in the Courts the authority to establish reasonable protocols to protect the safety of employees, case participants and the public. Additionally, Washington State and Federal cases support the authority of the courts to adopt reasonable procedures and rules regarding safety. See *State v. Hartzog*, 96 Wn.2d 383 (1981); *Jacobson v. Massachusetts*, 197 U.S. 11 (1905).

Snohomish County District Court - Face Mask Policy

Effective June 16, 2021 and during the duration of emergency orders addressing the COVID-19 pandemic, all individuals who are not court employees entering the courthouse at the Cascade, Evergreen and South Divisions of Snohomish County District Court are required to wear a face covering that covers their mouths and nostrils. For the Everett Division, this policy applies to the courtrooms and the District Court lobby and work areas.

The required face coverings are mandated unless an exception established by this policy applies or as determined by a judicial officer in their discretion in their courtroom. Persons without required face coverings will be denied entry to the courthouse at the Cascade, Evergreen and South Divisions. In the Everett Division persons without facemasks will be denied entry to the courtrooms, lobby and work areas. The court is not required to provide a face covering except as noted below.

Exceptions:

- (1) The District Court will provide face coverings for jurors, witnesses, those persons in need of ADA accommodations, and District Court employees.
- (2) At the discretion of a judicial officer in their courtrooms for fully vaccinated individuals, to ensure effective communication, to enable compliance with ADA requirements, and to ensure the fairness of the proceedings and avoid prejudice to any person.
- (3) A judicial officer may direct that witnesses' face coverings be removed during testimony.

(4) Any person who provides verifiable proof that their medical provider has determined that their health and safety are put at risk by wearing a face covering is exempt from this policy. Special accommodations for ADA issues will be addressed on a case-by-case basis.

(5) Children under the age of 2 years are not required to wear a face covering.

(6) District Court employees who voluntarily provide verification that they are fully vaccinated are not required to wear a mask or face covering in areas occupied by District Court. Judicial officers have the discretion to require court staff to wear masks or face coverings in their courtrooms, including those who are fully vaccinated. Fully vaccinated employees may continue to wear face coverings in the workplace if they prefer. Unvaccinated employees must continue to wear face coverings. Employees who have not provided verification of vaccination status may remove their masks or face coverings if they are alone in an office or for the purposes of eating and drinking.
