

Q1 What county department, division or office do you work in?

Answered: 592 Skipped: 0

County Sustainable Operations Action Plan - Employee Input

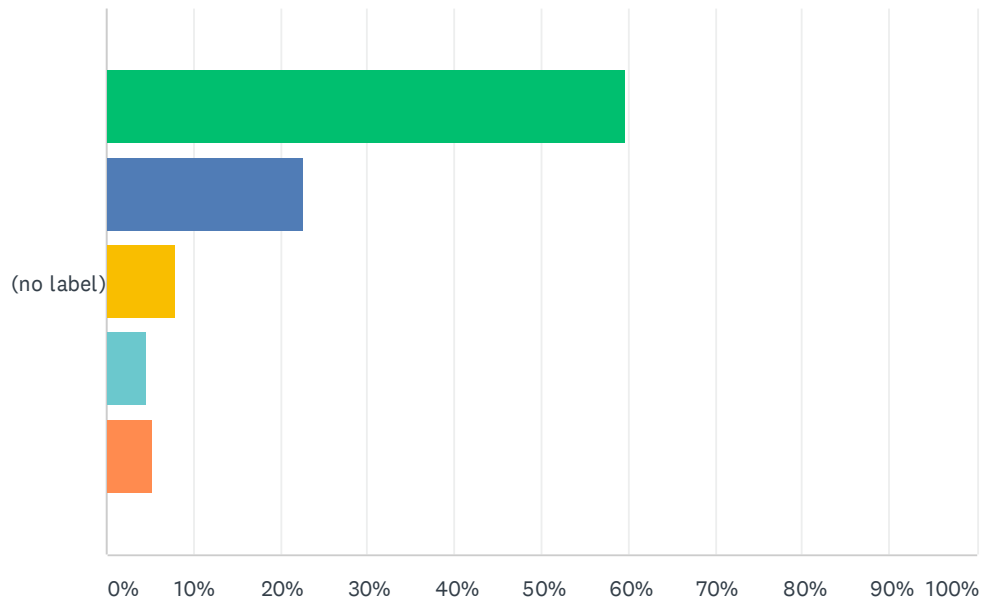

County Sustainable Operations Action Plan - Employee Input

ANSWER CHOICES	RESPONSES	
Public Works	18.24%	108
Facilities & Fleet	5.91%	35
Executive	1.18%	7
Council	0.34%	2
Auditor	4.39%	26
Sheriff's Office	7.09%	42
Corrections	3.72%	22
PDS	6.42%	38
IT	3.89%	23
Superior Court	5.24%	31
District Court	2.53%	15
Parks, Recreation, Tourism	2.53%	15
Conservation and Natural Resources	6.93%	41
Airport	2.53%	15
Human Services	9.97%	59
Hearing Examiner	0.34%	2
Human Resources	1.35%	8
Assessor	4.39%	26
Finance	1.52%	9
Treasurer	1.35%	8
Purchasing	0.17%	1
Emergency Management	1.69%	10
Medical Examiner	0.34%	2
Prosecuting Attorney's Office	5.24%	31
Other (please specify)	2.70%	16
TOTAL		592

Q2 How important do you think it is for the county addresses climate change and conserve natural resources in its government operations?

Answered: 592 Skipped: 0

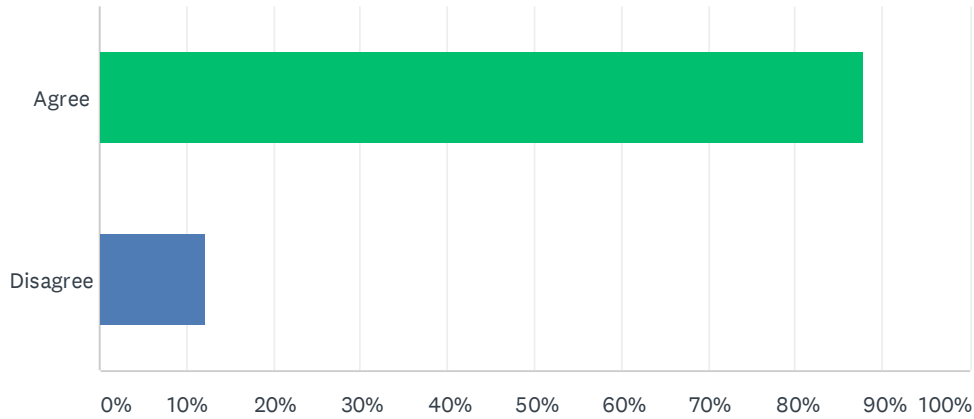

■ Very important
 ■ (no label)
 ■ Neither important nor unimportant
■ (no label)
 ■ Not important at all

	VERY IMPORTANT	(NO LABEL)	NEITHER IMPORTANT NOR UNIMPORTANT	(NO LABEL)	NOT IMPORTANT AT ALL	TOTAL	WEIGHTED AVERAGE
(no label)	59.63% 353	22.64% 134	7.94% 47	4.56% 27	5.24% 31	592	1.73

Q3 Do you agree that the Goal Areas below capture the primary focus areas for the SOAP? If you disagree, please describe what you would change. GOAL AREA Greenhouse Gas Emissions Transportation and Mobility Energy And Water Consumption and Materials Management Green Building Ecosystems and Open Space Climate Adaptation and Resiliency

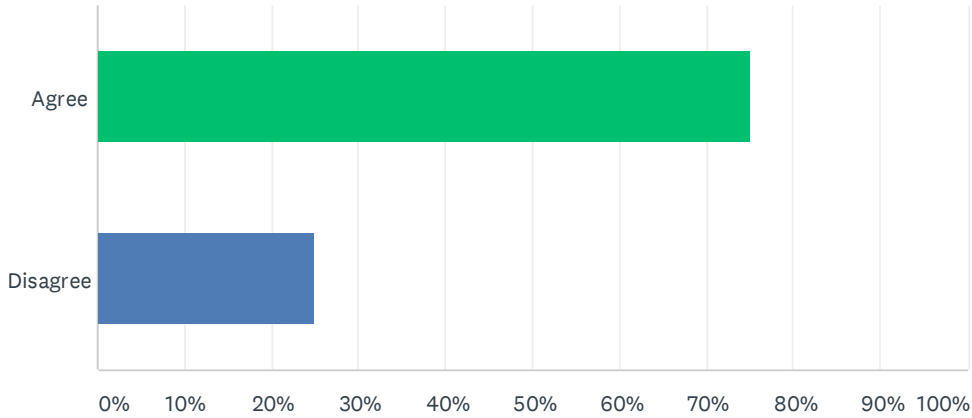

Answered: 552 Skipped: 40

ANSWER CHOICES	RESPONSES
Agree	87.86% 485
Disagree	12.14% 67
TOTAL	552

Q4 I like the Greenhouse Gas Emissions GOAL below for county government operations. GOAL AREA GOAL Greenhouse Gas Emissions By 2050, achieve net carbon neutrality for county government operations.

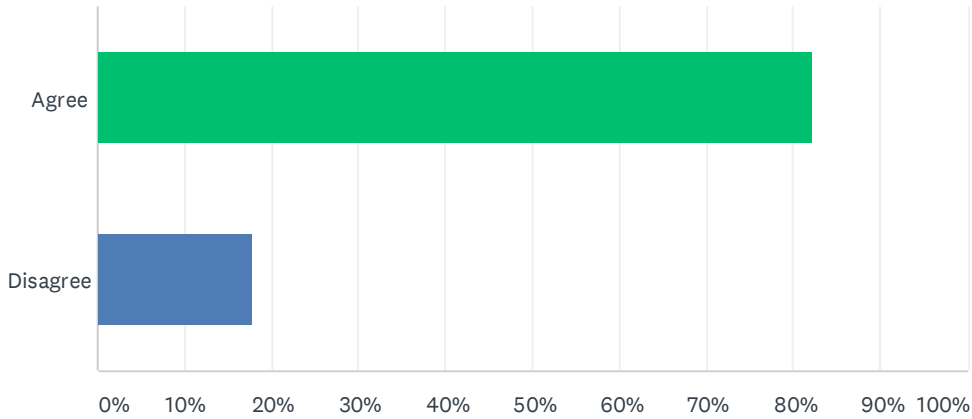

Answered: 484 Skipped: 108

ANSWER CHOICES	RESPONSES	
Agree	75.21%	364
Disagree	24.79%	120
TOTAL		484

Q5 I like the Transportation and Mobility GOAL below for county government operations. GOAL AREA GOAL Transportation and Mobility Increase the efficiency of vehicle fleet and fuel consuming equipment and minimize their greenhouse gas emissions.

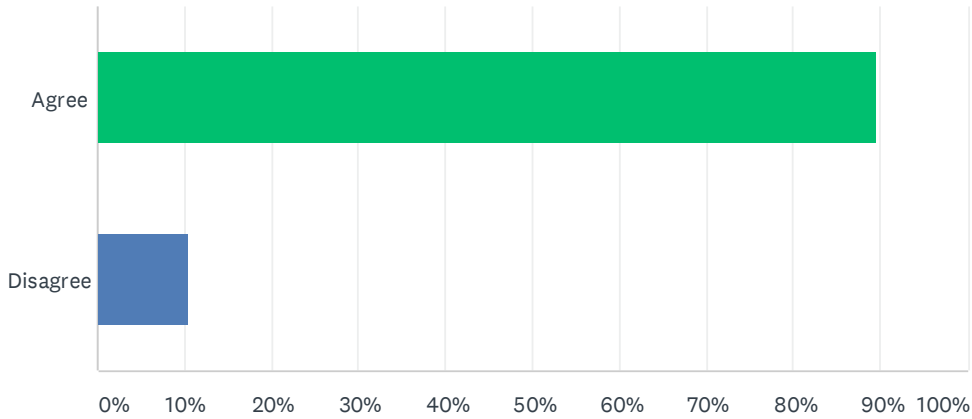

Answered: 484 Skipped: 108

ANSWER CHOICES	RESPONSES	
Agree	82.23%	398
Disagree	17.77%	86
TOTAL		484

Q6 I like the Energy and Water GOAL below for county government operations. GOAL AREA GOAL Energy and Water Increase the efficiency of energy and water consumption in county facilities and operations, and minimize the consumption of these resources.

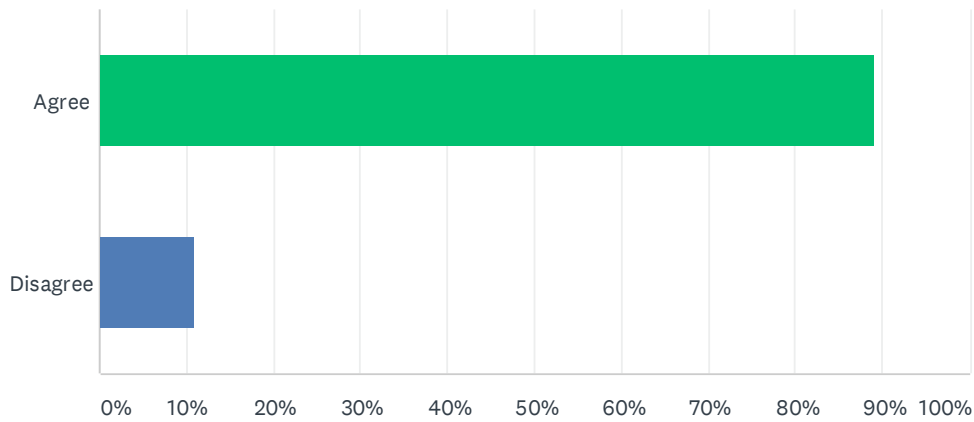

Answered: 484 Skipped: 108

ANSWER CHOICES	RESPONSES	
Agree	89.46%	433
Disagree	10.54%	51
TOTAL		484

Q7 I like the Consumption and Materials Management GOAL below for county government operations. GOAL AREA GOAL Consumption and Materials Management Minimize operational resource use, maximize reuse and recycling, and choose products and services with low environmental and carbon impacts.

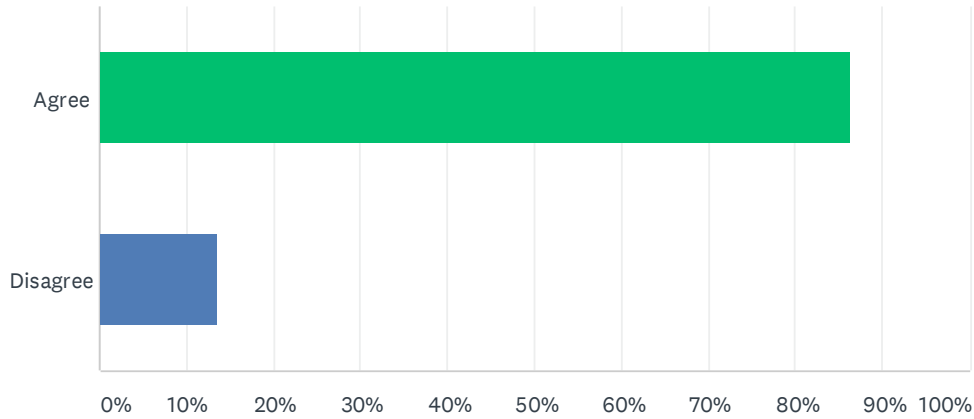

Answered: 484 Skipped: 108

ANSWER CHOICES	RESPONSES	
Agree	89.05%	431
Disagree	10.95%	53
TOTAL		484

Q8 I like the Green Building GOAL below for county government operations. GOAL AREA GOAL Green Building Build, maintain, and operate county facilities consistent with best practices for green building and sustainable development standards.

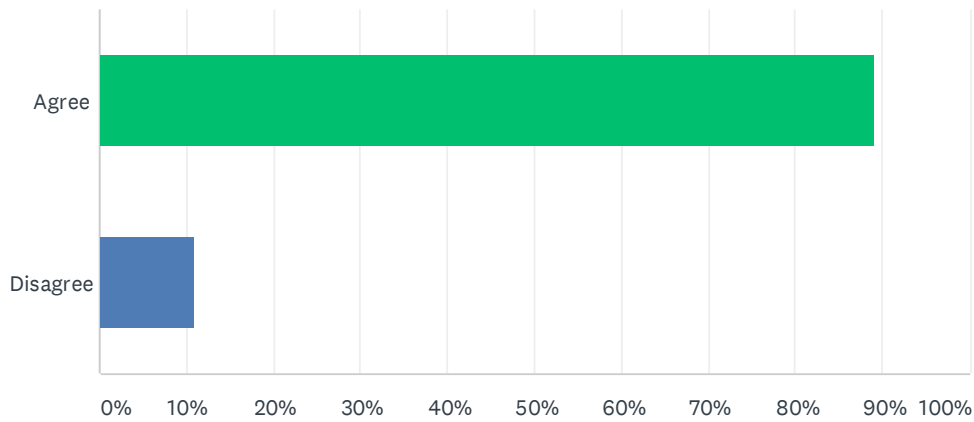

Answered: 484 Skipped: 108

ANSWER CHOICES	RESPONSES	
Agree	86.36%	418
Disagree	13.64%	66
TOTAL		484

Q9 I like the Ecosystems and Open Space GOAL below for county government operations. GOAL AREA GOAL Ecosystems and Open Space Manage and restore county-owned parks and natural areas to maximize biological carbon storage, promote public health and protect local species and habitat.

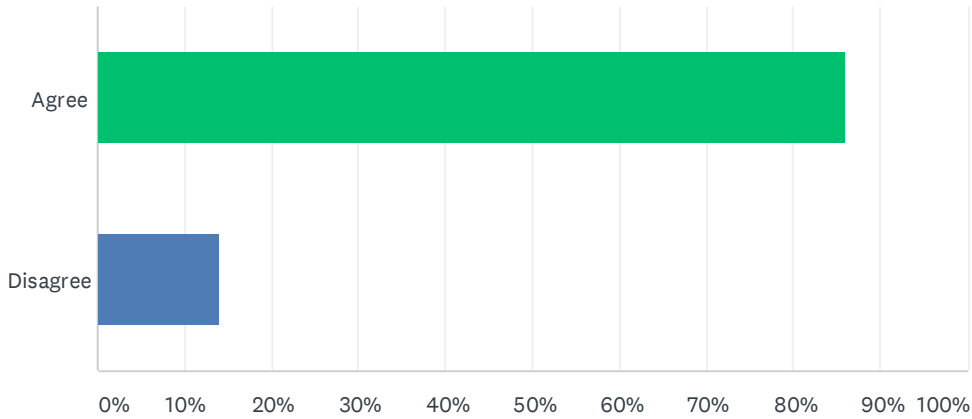

Answered: 484 Skipped: 108

ANSWER CHOICES	RESPONSES	
Agree	89.05%	431
Disagree	10.95%	53
TOTAL		484

Q10 I like the Climate Adaptation and Resiliency GOAL below for county government operations. GOAL AREA GOAL Climate Adaptation and Resiliency Integrate climate preparedness and resiliency across county government.

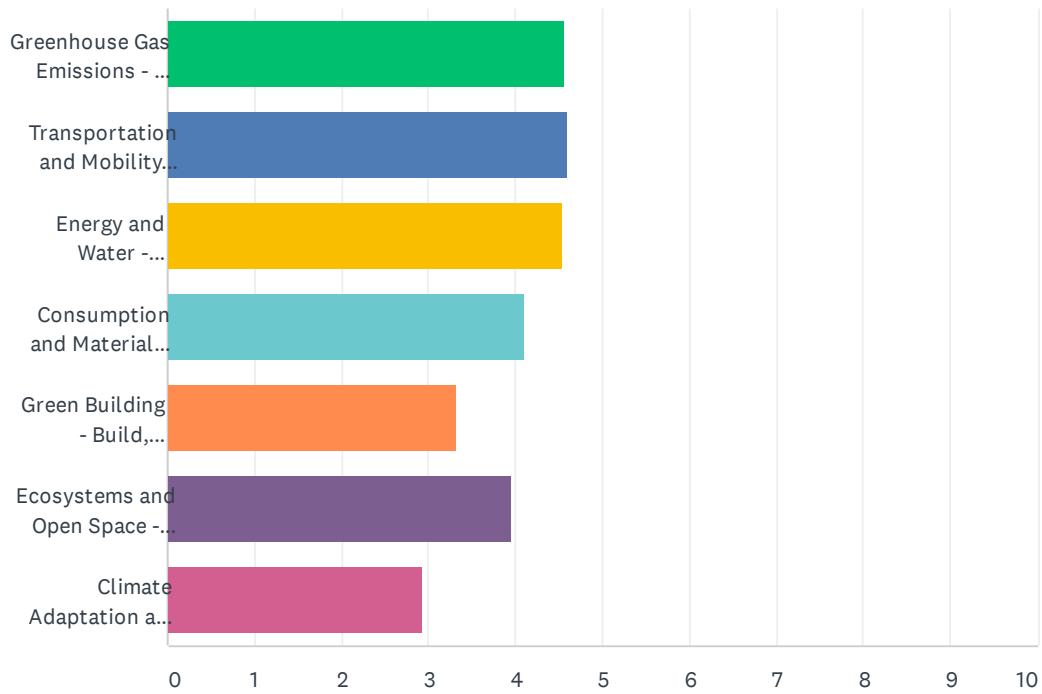

Answered: 484 Skipped: 108

ANSWER CHOICES	RESPONSES	
Agree	85.95%	416
Disagree	14.05%	68
TOTAL		484

Q11 Please rank each GOAL below from highest to lowest priority for county government operations (1 is Highest Priority, 7 is Lowest Priority).

Answered: 449 Skipped: 143

County Sustainable Operations Action Plan - Employee Input

	1	2	3	4	5	6	7	TOTAL	SCORE
Greenhouse Gas Emissions - By 2050, achieve net carbon neutrality for county government operations.	31.85% 143	15.37% 69	8.24% 37	8.24% 37	10.69% 48	9.13% 41	16.48% 74	449	4.56
Transportation and Mobility - Increase the efficiency of vehicle fleet and fuel consuming equipment and minimize their greenhouse gas emissions.	13.36% 60	23.61% 106	21.60% 97	14.03% 63	11.14% 50	11.14% 50	5.12% 23	449	4.60
Energy and Water - Increase the efficiency of energy and water consumption in county facilities and operations, and minimize the consumption of these resources.	13.36% 60	16.70% 75	23.83% 107	19.38% 87	14.25% 64	8.24% 37	4.23% 19	449	4.54
Consumption and Materials Management - Minimize operational resource use, maximize reuse and recycling, and choose products and services with low environmental and carbon impacts.	10.47% 47	15.37% 69	14.70% 66	22.05% 99	16.70% 75	11.80% 53	8.91% 40	449	4.10
Green Building - Build, maintain, and operate county facilities consistent with best practices for green building and sustainable development standards.	4.90% 22	8.46% 38	13.36% 60	13.59% 61	22.49% 101	22.27% 100	14.92% 67	449	3.33
Ecosystems and Open Space - Manage and restore county-owned parks and natural areas to maximize biological carbon storage, promote public health and protect local species and habitat.	16.70% 75	12.25% 55	11.14% 50	12.47% 56	14.25% 64	23.16% 104	10.02% 45	449	3.95
Climate Adaptation and Resiliency - Integrate climate preparedness and resiliency across county government.	9.35% 42	8.24% 37	7.13% 32	10.24% 46	10.47% 47	14.25% 64	40.31% 181	449	2.92

Q12 Using the GOAL that you selected as the highest priority in the question above, please describe one specific action that you think the county should take to achieve that goal.

Answered: 345 Skipped: 247

Q13 Select the GOAL where you think your department, division, or office can have the most impact in the implementation of the Sustainable Operations Action Plan:

Answered: 438 Skipped: 154

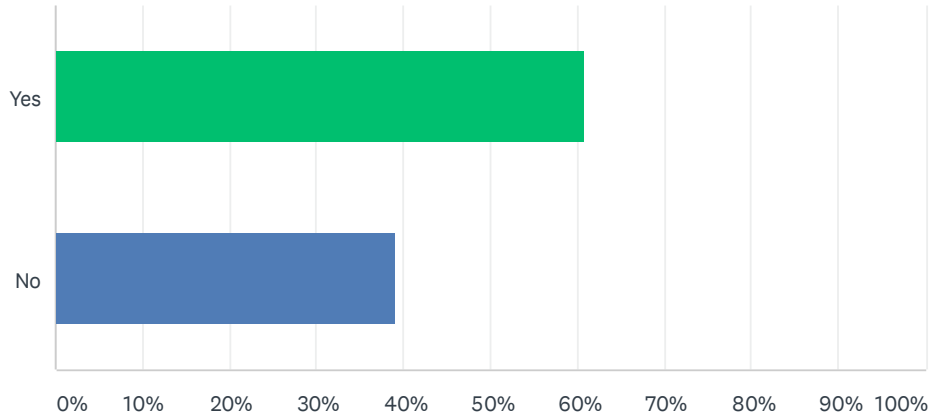

ANSWER CHOICES	RESPONSES	
Greenhouse Gas Emissions - By 2050, achieve net carbon neutrality for county government operations.	7.99%	35
Transportation and Mobility - Increase the efficiency of vehicle fleet and fuel consuming equipment and minimize their greenhouse gas emissions.	19.41%	85
Energy and Water - Increase the efficiency of energy and water consumption in county facilities and operations, and minimize the consumption of these resources.	9.82%	43
Consumption and Materials Management - Minimize operational resource use, maximize reuse and recycling, and choose products and services with low environmental and carbon impacts.	41.32%	181
Green Building - Build, maintain, and operate county facilities consistent with best practices for green building and sustainable development standards.	6.39%	28
Ecosystems and Open Space - Manage and restore county-owned parks and natural areas to maximize biological carbon storage, promote public health and protect local species and habitat.	8.45%	37
Climate Adaptation and Resiliency - Integrate climate preparedness and resiliency across county government.	6.62%	29
TOTAL		438

Q14 Using the GOAL that you selected for the question above, please describe one specific action that your department, division, or office could take to achieve that goal.

Answered: 342 Skipped: 250

Q15 Are there actions your department, division, or office could take to address racial equity and social justice in the Sustainable Operations Action Plan?

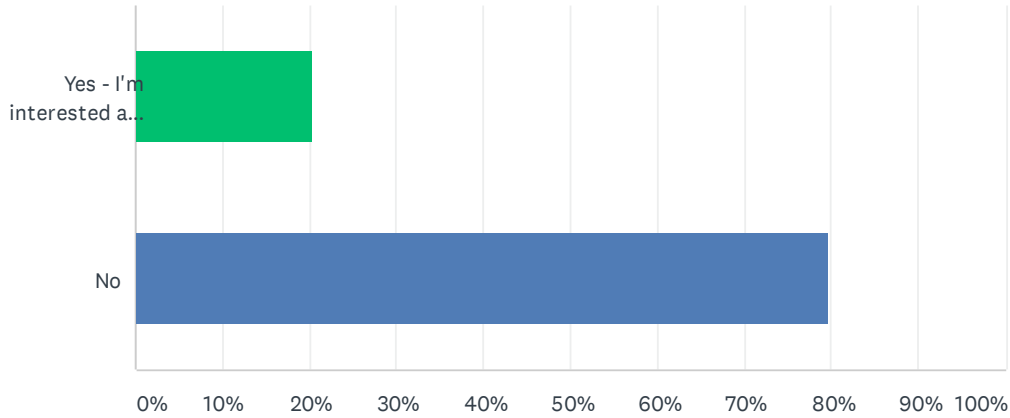

Answered: 432 Skipped: 160

ANSWER CHOICES	RESPONSES	
Yes	60.88%	263
No	39.12%	169
TOTAL		432

Q16 The county's internal Green Team helps with the implementation of the Sustainable Operations Action Plan. Are you interested in participating on the Green Team once the updated plan is finalized?

Answered: 420 Skipped: 172

ANSWER CHOICES	RESPONSES	
Yes - I'm interested and would like to learn more	20.24%	85
No	79.76%	335
TOTAL		420

Q17 Anything else you would like to share?

Answered: 128 Skipped: 464
