

Notice of Land Disturbing Activity (LDA) Permit Application Swamp Creek Bridge 503 Replacement

Project Type: Bridge Replacement

Description:

The proposed project will replace the existing Swamp Creek Bridge 503, a 41-foot concrete tub girder bridge, with a 70-foot concrete deck bulb tee girder bridge. The replacement span design will provide facilities for all users including bicycles and pedestrians. Additional right of way acquisition is anticipated for this project, and temporary construction easements will be needed. A new waterline will be installed within the road construction limits by Alderwood Water and Wastewater District. The project is tentatively scheduled for construction beginning in 2024.

Location:

The project is located within Section 26, Township 27 North, Range 4 East W.M. of unincorporated Snohomish County between Bothell and Brier.
