Outline:

• Process on the update
• Common feedback
• Review workplan goals and objectives
• Suggested priorities & next steps
• Questions
Workplan Update Process

• Desire for action based two year workplan
• Input from larger SLS group
  • Post – it note activity
  • Feedback on first draft
  • Feedback on second draft
• New joint planning committee formed
  • EC members
  • Staff
  • IT members
Common Feedback:

- Needs to be action driven
- Want advocacy and communication embedded throughout
- More representation for flood aspect
- Developing an integrated strategy
- Defining what net gain means
Suggested Priorities & Next Steps

- Resolve structural questions
- Develop reach scale strategies
- Develop a communications plan
- Provide input to County’s Comprehensive Plan
- Develop multi-benefit monitoring program
- Determine who can contribute and lead
