## **Snohomish County Seeks Public Input for 2024 Comprehensive Plan Update Visioning Process**

*Public input submitted through February 25, 2022 will help create a draft of an overarching  
Vision for Snohomish County's Comprehensive Plan.*

**SNOHOMISH COUNTY, Wash., January 14, 2022** – Snohomish County is seeking public input to inform a vision for the county's future to be utilized in the 2024 Comprehensive Plan. The 2024 Comprehensive Plan Update will guide growth, preservation, and development in Snohomish County over a 20-year planning horizon.

To aid in the creation of the 2024 Update, the cross-departmental 2024 Update team is creating a Vision statement grounded in an understanding of current conditions, trends, and requirements, and built from the regional vision - Vision 2050 - and Countywide Planning Policies. The team is soliciting public input to ensure the Vision statement is also a reflection of the values and aspirations of Snohomish County's residents.
