

Snohomish County Public Works Solid Waste Jobs

Solid Waste

Snohomish County Public Works oversees the disposal of garbage, hazardous materials, and recycling throughout the county. The division manages three transfer stations, three drop boxes and a household hazardous waste facility.

Types of Jobs

- Facility operators, site attendants, technicians, electricians, laborers and cashiers
- Planners, project managers and environmental program staff
- Equipment operators and drivers
- Management and support staff
- Seasonal and year-round positions

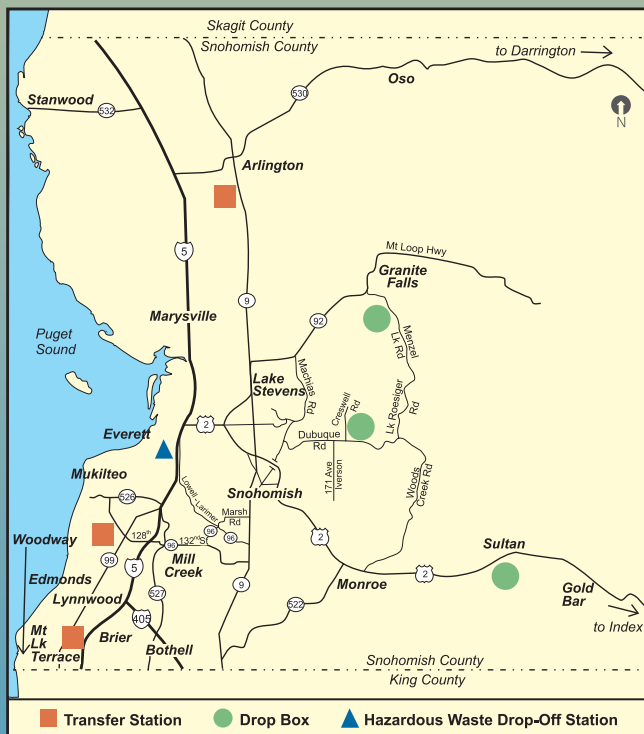

Site Locations

About 70 percent of Solid Waste employees work at the transfer stations or drop box locations, both indoors and outside.
