

Statement from Snohomish County Executive Dave Somers:

“Our hearts ache for the family, friends, and colleagues of the fallen Everett officer, Dan Rocha. On behalf of Snohomish County, we offer our deepest condolences to the entire community shaken by this loss of life and our thanks to those police officers who will be out keeping our community safe, even under the shadow of this tragedy. We will provide any support the City of Everett needs and call on everyone to take a moment to honor the people who are here to serve and protect.”
