

1590 Plan Input

Please think about the following questions and come prepared to the next meeting (insert date) to have an in-depth discussion and provide input about how you would like to see the draft 1590 Business Plan enhanced and improved. It would be helpful to consider the following questions as they relate to each recommendation in the Plan.

1. What ideas and/or concepts are currently in the Plan that you feel are important to **Keep** in the Plan?
2. What ideas and/or concepts do you think should be **Modified** before finalizing the Plan?
3. Are there ideas and/or concepts in the Plan that you think should be **Eliminated**?
4. Do you see any gaps or missing ideas and/or concepts that should be **Added** to the Plan?
5. What suggestions do you have to **Clarify** or refine the assumptions in the Plan?
6. Are there **Additional** considerations you suggest?
